Time

FOLLOW UP ACTIVITIES:

MATHS

Complete this short lapbook on measuring time. Open the link and click on **Units of time flapbook**.

http://www.homeschoolshare.com/connections__math.php

Then the lapbook below will help you learn about the months of the year. NB. The references to seasons are for Northern Hemisphere countries only. Southern Hemisphere countries will be the opposite.

PHYSICAL EDUCATION

Learn to throw a ball correctly. Try these step by step instructions to improve your underarm and overarm throw. Then practise, practise, practise!

https://youtu.be/ccavUz99P2w

HEALTH

Find out the time and date you were born.

Time: _____

Date: _____

ART

Create a paper collage picture using torn paper. Use either magazine pages or coloured paper to create your own collage. Choose a collage picture suitable to your ability.

http://www.raisingarizonakids.com/2013/05/torn-paper-pet-collages/

MUSIC

Listen and learn the song based on Ecclesiastes Chapter 3 called **Turn, Turn, Turn** by the Byrds.

HEALTH

Hugs are healthy!

Complete the organiser below by putting in the middle circle the word **Hugs**. In the circles around the centre, write or draw pictures showing why hugs are good for us or how they help us.
